94pts

"The 2020 Vatan comes from exceptionally old vines in the Quemaos vineyard situated in the Villaester de Abajo area. Aged for 20 months in French oak barrels, it displays a dark purple color. The balsamic nose reveals plums, sour cherries and subtle blackberries over a cedar layer. Rich, creamy and juicy on the palate, the supple tannins and mild intensity lead to a nuanced, enduring finish. This is a vibrant interpretation of a successful year for Toro."
