

Viñedos de Páganos
Calados del Puntido 2018

Robert Parker
WINE ADVOCATE
93pts

"This is pure Tempranillo from Páganos, from the 25 hectares from that vineyard, one of four that together total 45 hectares around the winery. This has good acidity and what they want to describe as iodine notes, pungent and fresh, matured in second-use French barrique (used for El Puntido before) for 16 months"
