

Bodegas Muga
Muga Reserva 2018

TOP 100 Values of 2021
under \$35 | #59

94pts

"This was the only red that Muga made in 2018, and the wines from the best vineyards went into the blend. In other words, top vineyards were declassified. Medium-bodied with very fine tannins that are caressing and refined. Plenty of subtle berries, chocolate and walnuts. Tempranillo with garnacha, mazuelo and graciano."
