

Bodegas Muga
Reserva 2018

JAMESSUCKLING.COM 

94pts

"This was the only red that Muga made in 2018, and the wines from the best vineyards went into the blend. In other words, top vineyards were declassified. Medium-bodied with very fine tannins that are caressing and refined. Plenty of subtle berries, chocolate and walnuts. Tempranillo with garnacha, mazuelo and graciano. January 2021 release. Drink or hold."
