

Teso La Monja  
Alabaster 2020

*Robert Parker*  
WINE ADVOCATE  
**97pts**

"...a very approachable vintage, a year with finesse, elegance and balance, and this Alabaster is perfumed and floral and feels light on its feet despite the power, concentration and clout. It has a beautiful nose and the new oak is not overpowering despite being noticeable. It should develop nicely and for a very long time in bottle. It has great balance and is one of the finest vintages of Alabaster if not the best."
