

Viñedos y Bodegas Sierra Cantabria  
**Sierra Cantabria Rosé 2021**

*Luis Gutiérrez*  
WINE ADVOCATE  
**90pts**

"The very pale and delicate 2021 Rosado was produced with 55% Viura, 40% Garnacha and 5% Tempranillo, so a clarete with 12.9% alcohol and very good freshness. It fermented in stainless steel with yeasts selected from their own vineyards. It's clean and tasty, very drinkable, fresh and balanced. A great wine of thirst."
