

Viñedos de Páganos
La Nieta 2021

JEB DUNNUCK

96+pts

"Coming from a tiny single vineyard of clay and sandstone soils and aged 16 months in new French oak, the 2021 La Nieta is deep purple-hued, with a tight, reserved nose of pure darker fruits (cassis, blackberries) as well as spicy herbs, white pepper, leather, and hints of tobacco. It's concentrated, medium to full-bodied, has a pure, elegant mouthfeel, and ample tannins. It's a gorgeous wine, but the cellar will be your friend. Hide bottles for 3-5 years and enjoy over the following two decades."
