

Bodegas La Caña
La Caña Navia 2022

"The 2022 La Caña Navia comes from two separate vineyards and is 100% Albarino. It has a beautifully pure, almost crystalline-like profile of bright citrus and lime fruits, crushed stone, sappy flowers, and mint. I love its overall balance, and it's medium-bodied, with a great mid-palate, integrated acidity, and a terrific finish."
