

Jorge Ordóñez Málaga
Nº2 Victoria 2023

JEB DUNNUCK

94pts

"Similarly hued, the 2023 Victoria #2 is 100% Moscatel made in tank, yet it's harvested slightly later and is a touch richer and riper in style. Exotic flowers, candied mint, sweet lychee, and even some peach notes emerge from the glass, and it's full-bodied on the palate, with a decadent, syrupy mouthfeel that's cut beautifully by bright acidity."
