

Bodegas Muga
Torre Muga 2020

JEB DUNNUCK

97pts

"Lastly, the 2020 Torre Muga just about jumps out of the glass with its complex red and black fruits, savory flowers, tobacco, lead pencil shavings, and graphite-like aromatics. Plush, full-bodied, concentrated, and beautifully balanced, it shows the softer, more rounded style of the vintage and has ripe tannins and a great finish."
