

Bodegas Muga
Flor de Muga Blanco Rosé 2023

JEB DUNNUCK

91pts

"The 2023 Flor De Muga Rosado is Garnacha Tinta from multiple parcels, raised in small used wooden casks and 500-liter and 1000-liter vats. It's a broad, round, layered rosé offering beautiful elegance and finesse while bringing plenty of fruit. White flowers, cherries, and spice, as well as a kiss of minerality all define the nose, and I love its overall balance. This classy rosé is up with the best in the category."
