Vatan Arena 2016

**98pts**

*"The 2016 Vatan Arena is a vine-by-vine selection and a tiny production cuvée that was fermented all in 600-liter barrels before being moved to barrel. Deep ruby/purple-hued, its notes of cassis, classy oak, graphite, and violet all define the aromatics, and it's gorgeously balanced, full-bodied, and pure, with ultra-fine tannins and a great, great finish. Incredibly complete, layered, and complex, it's just a magical wine"*
