**Sierra Cantabria Mágico 2021**

**JEB DUNNUCK**

**97pts**

*"The 2021 Sierra Cantabria Mágico comes from incredibly old vines planted just after phylloxera and is composed of 60% Tempranillo, 20% Garnacha, and a handful of other varieties. Ripe black cherries, darker currants, spring flowers, violets, and hints of crushed stone define the aromatics, and this beauty is full-bodied, has a round, layered, seamless mouthfeel, plenty of background oak, and a sensational finish. It offers pleasure today yet should have 20-25 years of longevity."*
