Mira Salinas 2020

**JEB DUNNUCK**

**93pts**

*"Coming from limestone soils and all Monastrell, raised in new, second, third, and fourth-use French oak barriques, the 2020 Mira Salinas Monastrell sports a vivid purple hue and offers remarkable purity in its crème de cassis, crushed violets, spice box, crushed stone, and graphite nuances. It's concentrated, medium to full-bodied, has remarkable purity, and ripe tannins."*
