Cuentaviñas Alomado 2021

JEB DUNNUCK

95pts

"Beautiful black raspberries, red plums, violets, spring flowers, and peppery herbs all define the aromatics of the 2021 Alomado, and it's silky and polished on the palate, with medium to full-bodied richness, a pure, layered, elegant mouthfeel, and ultra-fine tannins. It's a singular, pure, polished Rioja that has serious character as well as incredible quality. Drink bottles over the coming 15-20 years."
