

Bodegas Muga
Flor de Muga Blanco 2020

Wine Spectator
90pts

"A well-tailored white, with fragrant hints of dried mint and verbena winding through flavors of baked pear, quince paste and graphite, plus rich hints of salted butter and hazelnut. There's initially a broad feel to this medium-bodied version, but the well-knit, citrusy acidity keeps everything bright and buoyant throughout. Viura, Garnacha Blanca and Maturana Blanca. Drink now through 2029."
