Cuentaviñas Los Yelsores 2021

JEB DUNNUCK

95pts

"Smoky red and black fruits, leather, Asian spice, and lead pencil notes all emerge from the 2021 Los Yelsores, another riveting wine from this team. Based on all Tempranillo from a single vineyard planted in 1970, it's medium to full-bodied and has a pure, elegant, focused profile, wonderful tannins and integrated acidity. It's another 2021 that already has loads of charm yet should evolve gracefully over the coming 20+ years."
