

Bodegas Muga  
Flor de Muga Blanco 2021

**JEB DUNNUCK**

**92pts**

*"The 2021 Flor De Muga Blanco is close to one-third each Viura, Garnacha Blanca, and Maturana Blanca, raised in new French oak. It has a slightly more reductive bouquet of crushed citrus, pear, and white flowers, and it hits the palate with medium-bodied richness, a fresh, focused mouthfeel, and beautiful overall balance. It's a solid step up over the classic white and shines for its overall balance and purity."*
