

Quadrum Wine Co.
Quadrum BIB White 2023

JEB DUNNUCK

88pts

"Released only as a box wine, the 2023 White is based on 70% Verdejo and 30% Sauvignon Blanc and comes from vineyards located in the southern subzone of La Mancha, surrounding the city of Ciudad Real. Bright citrus blossom and sappy herb notes all define the aromatics, and it's clean, crisp, and nicely balanced on the palate, with an impeccably made style. It's a rock-solid box wine, and I'd happily drink a glass."
