Villota 2021

**94pts**

*"The flagship of the estate, the 2021 Tinto is based on 85% Tempranillo, 13% Graciano, and 2% Garnacha. It has a gorgeous nose of cassis and darker berries interwoven with subtle spice, graphite, and leather. This carries to a medium to full-bodied, round, concentrated wine with beautiful tannins, a layered, seamless mouthfeel, and a great finish. I'd buy it. It should have two decades or more of overall longevity."*
