

Villota
Selvanevada Blanco 2022

JEB DUNNUCK

91pts

"The 2022 Selvanevada Blanco is based on 91% Viura (aged in French oak) and the rest Tempranillo Blanco and Garnacha Blanca (aged in stainless steel). Bright citrus, leafy flowers, and a touch of honeyed minerality all define the aromatics, and it's medium-bodied, with a balanced, layered, nicely concentrated style that will shine on the dinner table. I love its overall richness as well as its balance."
