Cuentaviñas Ribera del Duero 2022

95pts

"This is the second release of a Ribera del Duero from Rioja-based winemaker Eduardo Eguren. Sourced from five villages - Esgueva, Gumiel de Mercado, Pedrosa, Quintana Mamvirgo and Roa, it's fresher than the 2021, despite the heat of the vintage, with stylish 30% new oak, engaging focus and freshness, layers of violet, plum and black cherry and a mineral core. 2026-35"
