El Reflejo de Mikaela 2020

**JEB DUNNUCK**

**92pts**

*"The 2020 El Reflejo De Mikaela is a smaller production effort based on 90% Bobal and 10% other mixed indigenous field-blended red grape varieties. Ripe black cherries, leather, savory herbs, licorice, and some loamy earth notes all emerge from the glass, and it has a medium to full-bodied mouthfeel, savory tannins, and a good finish. It lacks some elegance but has a complex, singular, interesting character."*
