

Bodegas Breca
Breca El Nacido 2021

JEB DUNNUCK
94pts

"The 2022 Breca El Nacido comes from higher elevation vineyards and is just about all Garnacha, co-fermented with a kiss of white varieties, that's raised in a mix of tank and barrel. Ripe black cherries, black raspberries, peppery herbs, crushed stone, and violet notes all define the aromatics, and it's medium to full-bodied, with a pure, layered mouthfeel, ripe tannins, and a rare mix of richness and freshness."
