

Viñedos y Bodegas Sierra Cantabria
Finca El Bosque 2021

JEB DUNNUCK

97pts

"The 2021 Finca El Bosque comes exclusively from Tempranillo planted on deeper, gravelly soils. Aged mostly in new French oak, it's a dense, powerful wine offering impressive cassis and darker currant fruit to go with smoked tobacco, darker chocolate, and graphite-driven aromas and flavors. With medium to full-bodied richness, it's flawlessly balanced, has a focused, vibrant, pure profile, ample tannins, and a great finish. It's structured and tannic and will need 3-4 years at a minimum to start to show its potential."

"The 2021 Sierra Cantabria Mágico comes from incredibly old vines planted just after phylloxera and is composed of 60% Tempranillo, 20% Gamacha, and a handful of other varieties. Ripe black cherries, darker currants, spring flowers, violets, and hints of crushed stone define the aromatics, and this beauty is full-bodied, has a round, layered, seamless mouthfeel, plenty of background oak, and a sensational finish. It offers pleasure today yet should have 20-25 years of longevity."
